

## YCS Round X Selections

### Interviews Schedule for the Monday 11<sup>th</sup>, Tuesday 12<sup>th</sup>, and Wednesday 13<sup>th</sup> of April 2016

Candidates invited must arrive with valid proof of identity (ID, passport or other valid proof of identity) at least 20 minutes before their scheduled time for the interview. **No one without a proof of identity will be registered and allowed to sit the interview.** The time allocated for interviews and the number of candidates to be interviewed **impose that no delays will be accepted.** Should a candidate not be present at the scheduled time **there will not be another chance** for him or her to sit the interview for this year and he/she will be rejected.

**Candidates invited to the interviews must also understand that the interviews schedule is fixed and it cannot be changed to accommodate candidates' preferences for another day or timing. We therefore kindly demand that candidates refrain from asking a change of day or time from the one that has been allocated. Such requests will not be taken into account.**

Interviews will take place in:  
**Young Cell Scheme Office - British Council**  
Perandori Justinian 106 - Qyteza Pejton, 10000 Pristina, Kosovo

Interviews will be conducted as described in the YCS Rules of procedure and they will last **no more than 15 minutes (plus 5 minutes scheduled per candidate where the Panels will decide the final score of the candidate)**. Candidates **must arrive no later than 20 minutes before the scheduled time** in order to register and be ready for the moment they are called inside the room by the YCS Secretariat. The timetable is very tight and it will be respected to the minute. Again, **no delays will be accepted.**

The interviews will be entirely conducted in English, and they will start with the Presentation, to evaluate the related skills of the candidate, and then continue with questions on the candidate's motivation to participate to the YCS Programme and on his/her experiences both professional and academic.

- **Presentation (5 to 7 minutes):** the scope of this part of the interviews is to test the presentation skills of the candidates. Applicants invited to the interviews may

prepare any topic of their choice for the presentation and they can organise their presentation in any manner they prefer. It is however not allowed the use of a computer, or power-point or projectors, while on the other hand there will be a flip-chart in the room in case candidates wish to use it. **Topics for presentations must be a subject within the scope of the specific sector where the candidate competes.** No matter the presentation skills of a candidate, if the topic is not within the sector where the candidate compete the presentation will be scored zero and the applicant will fail. *We advise candidates to well prepare their presentations in advance, and to measure the duration of their speeches for maximum 5 minutes.*

- **Questions on Motivation and Experiences (8 to 10 minutes):** after the presentation the panel members will ask a range of questions to allow the candidate to express her/his motivation to participate to the YCS scholarship programme, and to present her/his experiences, professional and/or academics. If a candidate has presented in his/her CV the knowledge of other EU official languages then the candidate will be asked whether wishes to receive a question in that language(s). The Panels will also assume the candidate is fully aware of the contents of the Rules of Procedure and its Annex. *We therefore strongly advice all candidates who still have failed to do so, to become familiar with each and every part of the Rules.*

There will be one panel to interview all candidates. It will be composed of 7 members (5 from EU academic institutions, 1 EU Office representative and 1 MEI representative). **The Panel will interview 77 candidates in 3 days.**
